OVERVIEW

The Ottawa Children's Festival de la jeunesse (OCF) is an annual cultural celebration that surrounds children with the best performing arts from around the world!

For 35 years, OCF has presented the highest quality theatre, dance and music for young people aged three and up. In addition to our bilingual programming, we offer a variety of creative workshops and on-site activities that further captivate and engage our audience.

SPONSORSHIP

Design a sponsorship opportunity that suits your business objectives and goals.
Like children's imaginations:
THE SKY IS THE LIMIT!

PRESENTING

As the exclusive presenting sponsor of the OCF, you are offered the highest level of visibility and exposure on-site and off. Your logo will appear next to the OCF logo on our website as well as in all advertising and marketing materials (printed and digital). In addition, we are proud to offer our Presenting Sponsor a speaking opportunity at our VIP Opening Night event.

STAGE OR IMAGINELAND SPONSOR

This level of sponsorship entitles your company to brand one of our three stages. This investment allocates logo placement at the stage entrance, mentions at the beginning of each performance, branding on the outside of the stage, logo placement in Festival advertising and promotional materials and much more!

SHOW SPONSOR

Sponsor a show from around the world! In return for your investment, your group will get tickets to that show, mentions at the beginning of each performance, logo placement in the program and on the performance web page, as well as logo/branding outside the venue entrance.

VOLUNTEER SPONSOR

More than 150 volunteers dedicate their time, services and expertise to the OCF. As the Volunteer Sponsor, brand your corporation on the volunteer t-shirt and hospitality tent for the duration of the Festival. This highly visible category can be tailored to fit your needs.

ADOPT-A-SCHOOL SPONSOR

Adopting a school provides economically disadvantaged children with the opportunity to attend the Festival free of charge.

An Adopt-A-School sponsor has their logo in our program, online and in social media marketing and receives a thank you letter from their adopted class. Research shows that exposure to, and participation in, the arts contributes positively to child development, engagement and learning. Becoming an Adopt-A-School sponsor is one of the best ways you can have a direct impact on young people in our community and increase their access to arts and culture!

Vendors wishing to have an on-site activation, booth or food concession, must do so through Adopt-A-School sponsorship. An additional fee of \$200 will be added for a 10' X 10' space at LeBreton Flats Park in the "Adopt-A-School Sponsors" zone. Benefits of a physical presence on-site include: meeting thousands of attendees; being visible to 12K+ commuters streaming by each day; connecting face to face with children, parents and educators. Bring your flags, tents, banners, food trucks. Optional larger activation spaces can be negotiated.
