

*The BIG JUMP
Entertainment Experience
at the
Ottawa Children's Festival*

For Immediate Release

Ottawa (Monday, February 10, 2020) - The Ottawa Children's Festival de la jeunesse (OCF) would like to extend a warm welcome and thank you to one of our major sponsors for our 35th anniversary event – BIG JUMP Entertainment!

BIG JUMP Entertainment is an Ottawa-based, privately owned, 2D Hybrid animation production facility that specializes in the seamless combination of traditional and digital techniques.

As part of the Festival celebrations, Big Jump will be showcasing an interactive, multi-media booth that is entertaining for all ages. They'll feature **Big Words, Small Stories**, an animated series based on the books of beloved Canadian author, Judith Henderson. It focuses on small stories that will enlighten kids to the meaning of BIG words through funny and delightfully, clever storytelling. Judith will be attending the Festival on May 8th and 9th to answer questions and teach BIG words!

View and enjoy a special showing of **Shutterbugs**, BIG JUMP Entertainment's animated show. You'll also find storytelling, colouring fun, and more.

BIG JUMP Entertainment's belief in fostering amazing ideas and Creatives allows for non-profit events and arts festivals like the OCF to come alive and is looking forward to welcoming children and their families to this year's Ottawa Children's Festival! We are very thankful for their generous support and are excited to have them be part of our 2020 event!
