

Photo Scavenger Hunt

LeBreton Flats Park

A photo scavenger hunt is a great way to ensure you capture every moment at the Festival! Depending on the age of your students, you can choose to complete this activity as a class, in groups or individually.

Rules/Guidelines:

Photos must be taken on the day you attend the Festival. Photos can be taken on any digital device. Once all of the photos have been gathered you will be required to post them on Facebook, Twitter and /or Instagram tagging us and using the hashtag #OCFHUNT2022

We will randomly select two winners from the photos we've been tagged in using the hashtag.
